Depending on the option picked you will be guided to the
athlete portal or the coach portal.

Register page will ask you if you want to register as an
athlete or a coach then take you to the respective registration
screen. After clicking on the register button they will be directed to
the profile page to fill out their profile.

Register

↓
News feed will come from webscraping articles from another website
and display trending news in the sports world.

Athlete Portal

Menu will have the following tabs:

Search - Will take you to the home page of the Athlete portal where you can do a new search for schools

Saved - Will take the athlete to a page that will display all of their searches. In the saved searches you will be able to access a tab with notes that the athlete can make to themselves about a specific school. The notes can be to remind themselves how they felt about the school, what kind of interactions they have had with coaches, players etc.

Messages - This tab will take the athlete to a section where they can message club coaches for quick interactions. In future development they will also be able to message college coaches as well.

Profile Icon - When clicking on the profile icon a dropdown menu will appear. The Athlete will have an option to view their profile or logout. Logout will...log them out! View Profile will take them to their profile where they can update their contact information, school/club information, player stats and videos, along with playing schedule.

Search Saved Messages Hello(name)

School Name(link)	Division	Conference	State	Action Buttons	Progress
				+ X ! ?	<div style="width: 20%;">20%</div>

Table of saved searches for the Athlete to manage. They can use the tabs at the top of the page to sort schools within their saved searches. The + button will open up a panel or modal where the Athlete can then add notes and view previous notes. The X button will delete that school from the list of saved schools. The ! button will mark a school as a favorite within their saved schools. The ? button will open a modal or panel with a form to fill out to send info to college level Coaches. The progress bar will show how far the athlete is in the recruiting process. When they click on the progress bar a modal or panel will appear with a checklist of items the athlete needs to complete. They will also be able to add custom items to this list. The progress percentage will be determined from how many items are checked vs how many total items.

Coach Portal

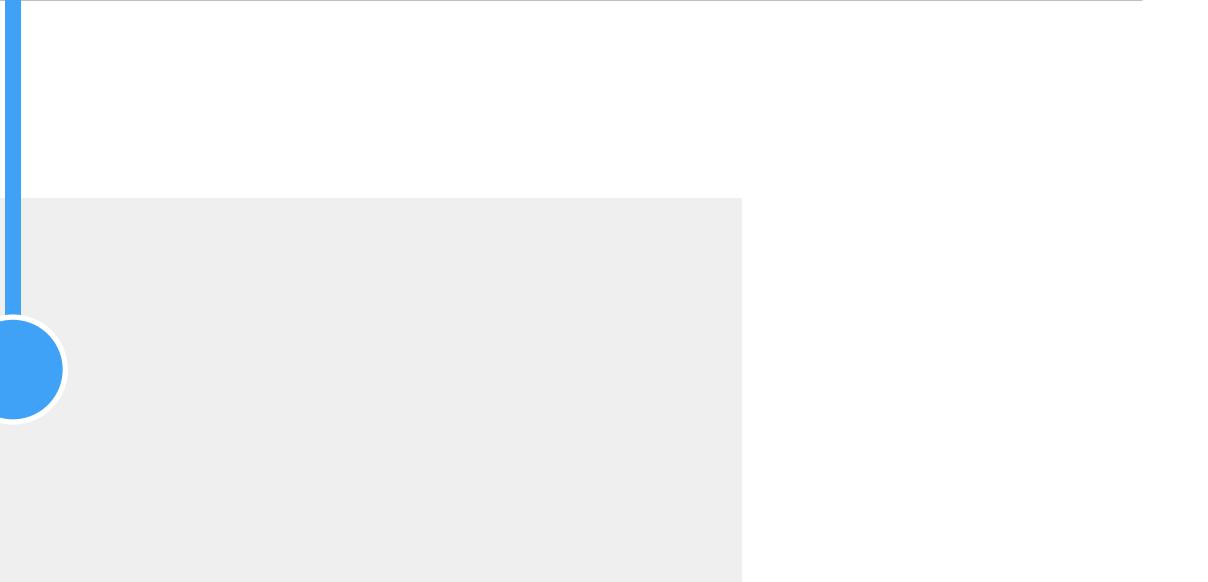

Menu will have the following tabs:

Search - Will take you to the home page of the coach portal where you can do a new search for schools

Saved - Will take the coach to a page that will display all of their searches. In the saved searches you will be able to access a tab with notes that the coach can make to themselves about a specific school. The notes can be to remind themselves about any positions that are coming up soon, and any other info they would like to hang onto.

Messages - This tab will take the coach to a section where they can message their athletes for quick reminders, schedule updates or any other messages they need to relay to team members.

Profile Icon - When clicking on the profile icon a dropdown menu will appear. The coach will have an option to view their profile or logout. Logout will...log them out! View Profile will take them to their profile where they can update their contact information, school/club information along with playing schedule.
